OFFICIAL-RECORD FACT - ENTITY RESOLUTION

The Chinese legal name, unified social credit code and Beijing registration authority identify one legal entity in S-01.

INFORMATION GAP - ENGLISH NAME

The English company name in this brief is AI-generated for reader convenience. The downloaded official report does not establish a formally registered English legal name.

04 / CORPORATE PROFILE

Corporate profile

Chinese legal name	沃特杰特贸易（北京）有限公司
Unified social credit code	911101056738046445
Company type	Limited liability company (wholly owned by a foreign legal person)
Date established	24 April 2008
Registration status	Deregistered
Approval date	2 February 2026
Registered capital	USD 70,000
Registration authority	Beijing Chaoyang District Administration for Market Regulation

REGISTERED BUSINESS SCOPE

Wholesale of mechanical and electrical products and components; commission agency (excluding auction); installation, maintenance and technical support for machine tools; and import/export and agency import/export activities, subject to applicable approvals.

INTERPRETATION BOUNDARY

Registered scope does not prove that every listed activity was actually conducted, remained authorised at every relevant time, or continued after deregistration.

05 / OWNERSHIP & CONTROL

Ownership & control

DIRECT CORPORATE SHAREHOLDER

The official report shows one direct corporate shareholder. The 2024 annual report records subscribed capital of USD 70,000. No natural-person shareholder details are reproduced in this public sample.

OFFICIAL-RECORD FACT - OWNERSHIP CONCENTRATION

The official report supports direct corporate ownership concentration at the shareholder level. This brief does not trace ownership above that named corporate shareholder.

SERICANT ANALYSIS - CONTROL BOUNDARY

No natural-person ultimate beneficial owner is inferred by this brief. Control beyond the direct corporate shareholder was outside the review.

INFORMATION GAP - ULTIMATE OWNERSHIP

No ownership chain above the named corporate shareholder was reviewed. No natural-person beneficial owner is established by this brief.

SAMPLE REPORT - METHODOLOGY ONLY

06 / MANAGEMENT INFORMATION

Management information

LEGAL REPRESENTATIVE

埃里克·蓝纳特·斯文森 is shown as the legal representative in the official registration particulars. Source: S-01.

DATA-MINIMISATION MEASURE

This public sample does not reproduce directors, supervisors, managers, contact details or any natural-person shareholder information.

SERICANT ANALYSIS - GOVERNANCE BOUNDARY

The legal-representative field describes registry information around the cut-off. It does not establish post-deregistration authority to act for the former entity.

INFORMATION GAP - POST-DEREGISTRATION AUTHORITY

The downloaded report does not identify a person or entity responsible for former claims, records, contracts, assets or data after deregistration.

SAMPLE REPORT - METHODOLOGY ONLY

07 / BUSINESS ACTIVITIES & COMMERCIAL FOOTPRINT

Business activities & commercial footprint

OFFICIAL-REPORT OBSERVATION

The registered scope reflects a trading and technical-support profile for mechanical and electrical products and machine tools, including import and export activities.

2024 ANNUAL-REPORT INDICATOR

The 2024 annual report states that the entity reported a website: www.wjs-pacific.cn. It also reported no external investment and no external guarantees for that report year.

SERICANT ANALYSIS - OBSERVABLE OPERATING PROFILE

The registry and annual-report disclosures are consistent with a historical trading and technical-support business. They do not establish present operations, current website ownership or ongoing service availability.

INFORMATION GAP

Financial scale, current customers, actual trading activity, product supply chain and post-deregistration commercial succession are not established by S-01.

SAMPLE REPORT - METHODOLOGY ONLY

08 / LICENSING & REGULATORY DISCLOSURES

Licensing & regulatory disclosures

OFFICIAL-RECORD FACT

S-01 displays an administrative-licence entry for the business licence. The entry lists the historical licence validity period as 24 April 2008 to 23 April 2038.

INTERPRETATION BOUNDARY

The display of a historical business-licence entry does not override the registry status recorded as deregistered. It does not establish current operating authority.

INFORMATION GAP

No separate sectoral licences, customs records, product certifications or regulatory correspondence were reviewed beyond fields displayed in S-01.

SAMPLE REPORT - METHODOLOGY ONLY

09 / PUBLIC-RECORD DISCLOSURE CHECKS

Public-record disclosure checks

ADMINISTRATIVE PENALTIES

No information displayed in the relevant S-01 section.

BUSINESS ABNORMALITIES / SERIOUS ILLEGALITY

No information displayed in the relevant S-01 sections.

JUDICIAL ASSISTANCE / SECURITY INTERESTS

No information displayed for judicial assistance, chattel mortgages or equity pledges in the relevant S-01 sections.

INTERPRETATION BOUNDARY

“No information displayed” is a statement about the downloaded report and its fields. It does not establish that no event, claim or record exists in any other source.

SAMPLE REPORT - METHODOLOGY ONLY

10 / DEREGISTRATION STATUS

Deregistration status

OFFICIAL-RECORD FACT

S-01 lists the registration status as deregistered and separately states an approval date of 2 February 2026.

DATE QUALIFICATION

The official report displays the registry status as “deregistered” and separately displays an approval date of 2 February 2026. This public sample does not equate the approval date with a separately verified deregistration-effective date.

DATE QUALIFICATION

These separate fields do not, by themselves, establish the precise deregistration date, creditor outcomes, asset distribution or successor arrangements.

SERICANT ANALYSIS

Before any commercial reliance on historical contracts, claims, payment instructions or the former website, verify the currently responsible legal entity and relevant authority.

SAMPLE REPORT - METHODOLOGY ONLY

11 / ANNUAL-REPORT INDICATORS

Annual-report indicators

REPORT YEAR

The official report includes a 2024 annual report. It records business status as operating for that annual-report period and reports 3 social-insurance participants.

CAPITAL DISCLOSURE

The 2024 annual report records the sole corporate shareholder's subscribed and paid-in capital as USD 70,000, both by cash contribution.

DISCLOSURE LIMITATION

The annual report marks key financial fields, including total assets, revenue, profit and debt, as not publicly disclosed.

INTERPRETATION BOUNDARY

Annual-report fields are enterprise-filed disclosures for the stated reporting period. They do not establish current financial condition or status after deregistration.

SAMPLE REPORT - METHODOLOGY ONLY

12 / INFORMATION GAPS & FURTHER ENQUIRIES

Information gaps & further enquiries

NOT ESTABLISHED BY THIS SAMPLE

Current operational status; liquidation documentation; creditor outcomes; asset and liability treatment; contract succession; bank account status; tax compliance; customs activity; litigation beyond S-01 fields; sanctions screening; adverse media; and beneficial ownership above the corporate shareholder.

ENGAGEMENT-SPECIFIC FOLLOW-UP

For a live transaction, confirm the counterparty's present legal identity, authority, contractual succession and relevant payment or performance arrangements directly with reliable current sources.

DATA-MINIMISATION NOTE

This public sample omits natural-person shareholder and officer lists. Only the legal representative's name is included where shown in S-01 and necessary for registry identification.
